{1} Bukhari va Muslim, Raavi Hazrat Abdullah Bin Umar Rd.

Khulasa- Rasulullah ﷺ se ek adami ne puchha islam ka kaun sa kaam behtar he? Aap ﷺ ne farmaya garibo miskino ko khana khilana, aur har musalman ko salam karna, chahe tu use pahchanta ho ya na pahchanta ho (yani pehle se dosti aur betakallufi ho ya na ho).

{2} Muslim, Raavi Hazrat Abu Huraira Rd.

Khulasa- Rasulullah ﷺ ne farmaya tum log jannat me nahi ja sakte jab tak ki momin nahi bante, aur tum momin

nahi ban sakte jab tak aapas me muhabbat na karo, kya me tumhe vo tarkib na batau jis ko agar karo to aapas me ek dusare se muhabbat karne lago? "aapas me salam ko failao". Is hadis se malum huva ki musalman aapas me ek dusare se muhabbat kare aur muhabbat se pesh aye, ye unke imaan aur islam ki chahat he aur uska upay ye he ki unke bich aapas me salam karne ka aam rivaj ho jaye, ye nuskha bahut behtar nuskha he shart ye he ki logo ko salam ka matlab malum ho aur assalamualaikum warahmatullahi wabarakatuh Tarjuma-aap par salamati ho aur Allah ki Taraf se Rahmate aur uski barkate aap par nazil ho ki ruh ko jante ho.
